

Nasira, a new chance guaranteed

Nasira is an innovative financial program that supports young, female, and migrant entrepreneurs in Sub-Saharan Africa and countries neighbouring Europe. Nasira guarantees loans given out by local banks to people that normally would be considered too great a financial risk. By turning challenges into opportunities, Nasira helps address poverty by giving people the financial means to commit to a future in their own community.

Mohammed (21), Egypt
IT-expert hosting and creating websites

Brenda (35), Zambia
Entrepreneur bringing affordable eye care to school children

Abu (45), Jordan
