

Set up in 2006 and managed on behalf of the Dutch Ministry of Foreign Affairs, MASSIF is FMO's financial inclusion fund. MASSIF enhances financial inclusion for micro-entrepreneurs and small and medium enterprises (MSMEs) that are disproportionately affected by a lack of access to financial services. The Fund supports intermediaries that reach out to (I) MSMEs in fragile and low-income countries, (II) MSMEs in rural areas and those dependent on agriculture, (III) women-owned MSMEs, and (IV) intermediaries providing access to productive goods and services for base-of-the-pyramid individuals.
